Key facts

Impressionism is a style of painting that focuses on light. Impressionist artists often used thick, broken brush strokes and painted scenes of everyday life.

1867 Impressionism

Now (over 150 years later)

1886 Post-impressionism

The Post-impressionism art movement followed after the Impressionists. Like the Impressionist artists, it featured bright colours and thick brushstrokes but they included more emotion and expression in their paintings.
