

The Pochin School

Newsletter 29th April 2022

Dear Parents, Governors and Friends,

Welcome back to the Summer term. This term will be very busy with the pupils learning and consolidating what they have learnt over the past year. Just a few things that will be taking place are, end of Key Stage 2 SATS test, end of year play for classes 4 and 5, sports day, gardening, virtual visits to the British Museum and many more exciting things planned. We are looking forward to the term with great excitement.

We have had and will have a number of festivals take place over April and May. The children have enjoyed an assembly on Vaisakhi and listened to how children in our school celebrate this. We hope our families had a wonderful time celebrating this festival in the holidays. We will also be having an assembly with the support of our pupils sharing their experience of Ramadan. We would like to wish all families that are celebrating the end of Ramadan this weekend 'Eid Mubarak'.

Thank you to all the children and families who participated or donated to the school 'Read A Thon'. As a school we raised over £700. The winning class was class 4. Well done! Class 4 will be having their special treat afternoon next week. They have already requested to spend some of the winnings on new thesauruses for their class.

We are looking forward to the school Spring Fair that the PTA are busy preparing for, this will be on Sunday 8th May at the Barkby Cricket Ground. All parents wishing to help out please contact a member of the PTA. We always encourage children to also support this event and often they will help support on stalls. If your child is able to attend and help please make the PTA aware of this.

The school will have a NON Uniform Day on Wednesday 4th May in exchange for an item for the PTA Spring Fair Tombola. Please bring the item into school on Wednesday.

I would like to thank all the parents and families in advance who are supporting in the school garden today after school, we will be completing the Foundation area and gardening activities to support planting and growing this term. THANK YOU
