

The Pochin School

Review of PE and Sports Premium Funding 2022-2023

and

Planned Funding Allocation 2023-2024

Primary School PE and Sport Mission Statement

We at The Pochin School, wish to provide the best PE and sport provision possible. We aim to deliver a programme of high-quality lessons and to provide a pathway to participation that will enable all pupils to build their confidence and achieve their full potential.

Primary School PE and Sport Funding for 2023-2024

The government provides additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and is allocated directly to primary schools to achieve the Department for Education's vision for Primary PE and Sport Premium that:

ALL pupils leaving primary school will be **physically literate** and have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

Purpose of funding

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils in years 1 to 6 (pupils aged 5 to 10), as recorded in the annual schools' census in January 2023.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

The Pochin School will receive £17,170 in school PE and sport funding for 2023-2024.

How we spent the funding for 2022-2023 £17190

	Aspect	Funding	Impact
1	Employment of specialist PE coaches to run lunchtime clubs twice a week	£9992	All children have had the opportunity to take part in an active lunchtime club at least once a week
2	Purchase of new playground equipment for use at break and lunchtimes	£817	Improved equipment means children have had more opportunities to participate in sport at lunchtime. For example, more children have been able to play skipping at the same time or bat and ball games.
3	Train our Young Leaders in Upper Key Stage 2 to run small games at lunchtime and breaktime for other pupils	£0 This was unsuccessful due to limited sports staff available.	Unable to achieve but will be moved to next years targets.
4	Employment of specialist PE coaches to teach/ demonstrate and offer CPD to staff during PE curriculum across the school	Costings in above	Delivery and the support of staff in the delivery of a broad and balanced PE curriculum has been effective and embedded. High quality PE provision across the school with clear progression in skills and application of these skills in different sports and activities Children trying new sports and activities, such as archery, laser quest etc.
5	Employment of specialist PE coaches to run after school clubs.	Costing in above	All Key Stage 2 children were offered After school sports clubs free to encourage more children to take part in high quality sports and become more active and healthier. Key Stage 1 children have had the opportunity at lunchtimes to take part in sports clubs.
6	All children able to attend relevant educational visits, residential visits, sporting events and specialist lessons	£0 Cost came out of school curriculum funding	All children taken part in outdoor residential visits or outdoor day visits. All children were able to push themselves outside their comfort zone, participate in sports or physical activities they might not normally do and experienced a range of activities.
7	Maintenance/Purchase of Sports Equipment/ digital property	In costings above (Objective 2)	Equipment has been maintained, renewed or purchased for the enhancement of PE lessons, lunchtime sports activities and after school clubs. Giving the children greater opportunity to practice or participate as more equipment was available to share.
8	To sign up to local Charnwood sporting events.	£80	The school could not timetable the Charnwood sporting events in around sporting events already booked with BEP Trust and with staffing availability.

Carry Forward £6310 to 2023-2024

***The Pochin School will receive £17,170 + £6310 (carry forward) total £23,480
in school PE and sport funding for 2023-2024***

Objective 1 the engagement of all pupils in regular physical activity to continue and increase healthy active lifestyles.		
PE and School Sport Premium Key Outcomes Indicator: All children to take part in an active lunchtime club		
Action	Cost	Intended Impact
Employment of specialist PE coaches to run lunchtime clubs twice a week	£1330	All children will have taken part in an active lunchtime club at least once a week
Purchase of new playground equipment for use at break and lunchtimes	£9410	Regular and timetabled play and lunchtime activities
Train our Young Leaders in Upper Key Stage 2 to run small games at lunchtime and breaktime for other pupils	Included in the cost above	Our Young leaders encourage more children to participate in fun sports activities throughout the week.

Objective 2 the profile of PE and sport being raised across the school as a tool for whole school improvement		
PE and School Sport Premium Key Outcomes Indicator: All children participating in high quality PE lessons		
Action	Cost	Intended Impact

PE and School Sport Premium Key Outcomes Indicator: Children have the opportunity to take part in competitive sport within the School Trust, local competitions and regional events		
Action	Cost	Intended Impact
Wreak Sports Competitions and festivals	£3000	Pupils take part in local sporting enrichment activities, these will not necessarily be competitive sports, but participation to build confidence and skills.

Total Spend (Funding Received in brackets)	£23,480 (£23,480)
--	-----------------------------

How the school assesses pupil attainment in PE and sports:

The school will use lesson observations, learning walks and pupil voice to asses our PE and Sports provision and the impact of the actions we have taken.

We also assess and record children's progress towards the end of year expectations for PE using 'Arbor'. This will enable us to monitor children's attainment and progress and identify any children who may additional support or intervention in PE.

These assessments are monitored by the SLT and PE Leader to track the progress of each pupil as they progress through the school and the coverage of PE in each Year Group.
