

Uniform Policy

Why do we have a Uniform Policy?

At The Pochin School we want equal rights under the Equality Act 2010. We have a duty not to discriminate (judge) against people. This policy is fair and it does not make any pupil feel excluded. It helps to make everyone feel valued and included.

We also work closely with the School Council and to hear their views and opinions.

Our school believes that all children and adults have the right to work and learn in a safe place where they are respected.

As a school we pride ourselves on looking smart, being neat and tidy and everyone being equal. Having a clear uniform policy ensures that we have sense of collective identity, pride and are appropriately dressed and promotes equality.

This policy should be read in conjunction with our Behaviour Policy, which stipulates the rewards for adhering to this policy and the consequences for not.

Pupils are expected to be independent and take responsibility for their uniform, PE Kit and appearance.

All uniform, including shoes and PE Kit must be named clearly
