Class 4 on World Book Day!

A huge congratulations to the Environment Club and Miss Kirk for being awarded the 'Bronze Award' for the Woodland's Trust Green Tree School's Award. A great achievement for this newly formed club!

The children have created a vision statement about how to improve the school's sustainability and the school environment. Miss Kirk has been to the garden centre and purchased lots of wonderful plants - so watch this space!

We are hoping to run a Walk-a-thon in 'Walk to Schools Week' to raise money for the school grounds.

## Staffing Update:

Sadly, The Pochin School have to say goodbye to Mr Girt as Class 1's teacher. We would like to extend a massive thank you for his contribution to the school. We wish him all the very best for the future.
