A massive congratulations and a huge well done to our Year 6 children who completed their Key Stage 2 SATs. They did amazingly well and tried their absolute best. As a whole school community, we are exceptionally proud of their efforts. Afterwards, the children took a trip up to Roots Farm Shop, visited Cadbury's World and went to Leicestershire Outdoor Pursuits! Take a look at some of the pictures . . .

Summer 1 was a great half term with lots of learning taking place in every class.

The children in Class 3 and 4 had a great time with their steel pan drumming workshop - Miss Alison and Miss Sarah thought that they were in the Caribbean!

Class 2 have been learning all about Animals and Living Things in their Habitats in Science. They've been bug hunting in the garden and have been lucky enough to have an incubator in school and have waited very patiently for the chicks to hatch!

The children in Class 1 and 2 launched last half term with a Neil Armstrong day where they took part in an astronaut workshop!

Pre-school have been enjoying their learning as always, especially when spending time in the school garden!

The children in Class 1 had a fabulous time during the 'Alien Day' - Mrs Robinson is clearly in her element when she gets to dress up!
