

The Pochin School Headteacher End of Year Newsletter

What a year! What a journey! Thank you for all your support, kindness and encouragement through my first year as the head of The Pochin School. I am so incredibly proud to be the head of this school and leading it on its exciting journey.

Please have a wonderful summer break - enjoy spending quality time with one another and I will look forward to seeing you back in school on Thursday 28th August!

To all our Year 6 leavers - I wish you all the very best for the future and every happiness for the next stage of your learning journey! Be bold, be brave, be kind and be unapologetically YOU!

Miss Evans

SPORT EVENTS

We have had lots of exciting sporting events taking place over the last half of the summer term, including Steel, GB Activ and a visit from a Team GB long-jumper as well as our traditional sports day!

Team GB long-jumper Sam Khogal ran a circuit and together we raised almost £1000 for the school!

SPORTS DAY

Well done to all the children for taking part in the school sports day - their were some terrific races and a really good spirit!

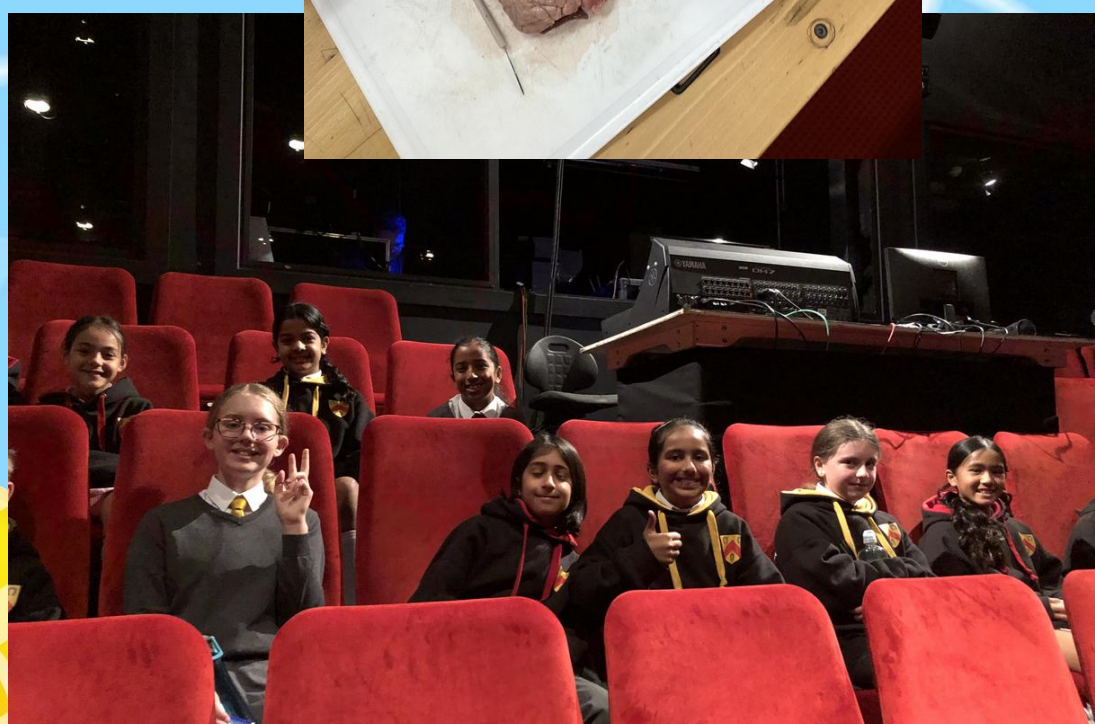

Congratulations to Charnwood, our overall winners!

Y5 have also been to Wreake Valley for a sports festival to support transition!

TRIPS AND VISITS

Class 1 and 2 have visited the National Space Centre, Class 3 and 4 have visited Twycross Zoo and Class 5 have visited The Curve theatre to watch 'Pig Heart Boy' as well as doing a heart dissection with the science teacher from Roundhill!

FOUNDERS DAY

It is always a difficult decision for our teachers to select children for awards - all of them are so wonderful.

Here are some of those that have really stood out this academic year and received awards at our end of year tradition, Founders Day.

END OF YEAR PRODUCTION

A huge congratulations to the children in Class 4 and 5 who produced a superb end of year production - School of Pop!
